

*Session 15 — The Tearing of the Seals 2-4  
[Revelation 6:3-8] — May 16, 2021*

---

- I. The rider on the **red horse** represents the supernatural **god** of **war** who will be given authority to take **peace** from the **earth** in the last days.
- II. The rider on the **black horse** represents devastating global **famines, economic collapse** and **hyper inflation** in the last days.
- III. The rider on the **pale horse** represents the **angel** of **death** – or the **destroyer** – who is given authority to take a **vast number** of human lives in the last days.
- IV. **Jesus** is the great Conquering King and Risen Savior who alone has **power** over death and Hades and the **authority** to give **eternal life** to all who **believe!**

### **Application**

- ➔ Do not allow your love for Christ and other grow cold when lawlessness and violence abounds.
- ➔ Trust in Christ and in His resurrection life.

*Small Group Listening Guide — May 23, 2021*

**Read Revelation 6:3-8 Out Loud**

1. How is the rider on the red horse described and what can we learn from these details?
2. How will the last days be like the days of Noah?
3. What did Jesus say about lawlessness and violence in the last days and how would it affect many? [see Matthew 24:1-14]
4. How is the rider on the black horse described and what can we learn from these details?
5. What are some of the potential causes and consequences of a global famine? What can we do now to be prepared?
6. How is the rider on the pale (green) horse described and what can we learn from these details?
7. Who is the angel of Death and what is Hades?
8. How is Death and Hades connected to Israel's covenant in Isaiah 28 and the bottomless pit in Revelation 9 and Joel 2?
