

The REVELATION of JESUS CHRIST
ALPHA / OMEGA

Session 29 — The Image of the Beast
[Revelation 13:11-15] — September 12, 2021

- I. The false prophet will be a compelling **religious** leader who uses **occult power** to work amazing signs and wonders to **deceive** the whole **world** into worshipping **Satan**.
- II. The false prophet will **persuade** mankind to create an **image** of the beast by **converging** all available **technology** in the world.
- III. The image of the beast most likely will be a **transhuman clone** – a living, breathing **idol** – that is empowered by and integrated with **artificial intelligence**.
- IV. The image of the beast will use A.I. to create a global, real-time **surveillance slave state** and **control** humanity with a collective **hive mind**.
- V. Only those who possess the **mind** of **Christ** and are **controlled** by the Holy Spirit will be able to **overcome** the coming beast slave system.

Application

- ➔ Transform your mind daily through the living word of God so that you will not be conformed to this world!
- ➔ Be conformed daily to the image of Jesus Christ as you reflect His light and love to a lost and dying world.

Read Revelation 13:11-15 Out Loud

1. Describe the second beast. What kind of a person can we expect the false prophet to be?
2. How might the false prophet seduce the world into worshipping the Beast?
3. What does the false prophet convince mankind to create? What are some of the applications of the word “image?”
4. What does the false prophet do to the image of the beast, and what does the image of the beast have the ability to do?
5. Read Genesis 1:26-27, 2:7 and 3:4-5. How will Satan try to counterfeit God, and what technologies are available today that could give him the ability to do so?
6. How could the Beast potentially control the minds of his followers all at the same time? What will be the consequence of those who refuse to worship the Beast?
7. What is the only way we will overcome the coming beast slave system? Why is Romans 12:2 so essential?
