

*Session 30 — 666 and The Mark of the Beast  
[Revelation 13:16-18] — September 19, 2021*

---

- I. The **mark** of the **beast** will be Satan's **same old lie** repackaged to **seduce** mankind with an **alternative** path to become "**gods.**"
- II. The mark of the beast will **identify** those who choose to participate in Satan's **slave state** and publicly **pledge allegiance** to the beast.
- III. The mark of the beast will be the **genetic signature** of **Satan** – integrating his **seed** with human **DNA** and creating the unique **digital code** of the **man of sin.**
- IV. Those who **choose** to receive the mark will **cease** to bear God's image, being permanently **defiled** at the genetic level and transformed into the **image** of the beast.
- V. Those who bow to the beast and take his name and image effectively are **selling** their **souls** and **sealing** their fate in **hell**, while those who resist will be **hunted** and **killed.**
- VI. We are created to bear the image of Christ alone – in **mind**, **body**, and **spirit** – and take the **Name** of the Father, Son, and Holy Spirit.

**Application** —For what are you willing to trade your own soul?

5. How has Satan historically tried to create offspring in his own image, and what were the outcomes?
6. What happens to those who choose to take the mark and whose image will they bear?
7. What are the three essential components of the beast system, according to Revelation 14:9-12? What is the result?
