Small Group Listening Guide — December 5, 2021

Read Revelation 21-22

1. How can we be sure that a remnant of mortals will enter the millennium in their natural bodies and what will life be like for them?
2. What benefits and blessings will the nations gain from going up to Jerusalem to see Jesus each year and what are the consequences if they rebel?
3. Does anything about mortals living during the millennium bother or confuse you? If so, discuss.
4. How will the New Jerusalem be distinct during this time and why will only those with resurrected bodies have access?
5. How will mortals be able to be regenerated with new bodies during the millennium and why would anyone choose otherwise?
6. How do we know that there already will be potential for a rebellion before Satan is released, and why would God allow it?
7. How is our message to the world today no different than what it will be in the millennium?
